### Learning Opportunity

We know financial literacy is a critical life skill for students and we know this education is being taught in our elementary and high school classrooms but what about the grade 7-9 students? Enriched Academy is an approved resource that brings financial education into the classroom while supporting Health curricular outcomes through a financial lens. The SmartStart program uses an engaging and entertaining video-based format complete with lesson plans, teacher guide, a grade book, auto-graded assignments and student activities.....everything you need to get started today.

### Presenters

**Sonya Fox**

Sonya Fox is the Director of the Education sector of Enriched Academy for the Alberta Region. Sonya lives in Okotoks and supports the company philosophy that everyone deserves financial awareness
