Learning Opportunity

The provincial Teacher Growth, Supervision and Evaluation Policy deals with accountability and continuous professional growth, and ensures that a teacher's professional practice is under ongoing supervision. The Teacher Growth, Supervision and Evaluation Policy defines the process and the Teaching Quality Standard defines the competencies for professional practice. This workshop reviews with school leaders their critical role and the duties they must perform as outlined in the Education Act, the provincial Teacher Growth, Supervision and Evaluation Policy and the Leadership Quality Standard.

Presenters

Dan Coles

Dan Coles is a current executive staff officer with the Alberta Teachers' Association. Dan started his teaching career spending time in both Pembina Hills School Division and Elk Island Catholic Schools. After seven years in school leadership with Elk Island Catholic Schools, Dan joined the ATA spending four years as an investigator. Dan has a graduate diploma and Master of Education from the University of Alberta.

Geneviève Blais

Geneviève Blais, is an Executive Staff Officer the associate coordinator of the Southern Alberta Regional Office with the Teacher Employment Services department of the Alberta Teachers' Association. Geneviève began her career in 2006, teaching French immersion with the Calgary Catholic School District and eventually became an assistant principal.
