Learning Opportunity

This three part, asynchronous learning opportunity, will support your learning any time, anywhere Whether you are a teacher, educational assistant or parent supporting students at home, if you want to learn how Google Classroom works or how to leverage it as a pedagogical tool, this session is for you!

Session 1 - Getting Started

How Google Classroom works? How to get started? How to navigate through it all?

- Google Classroom organization
- Google integration
- Create/join a classroom
- Adding students
- Organization basics
- Creating student activities
- Student view

Session 2 - Digging Deeper

Learn the more advanced features of Google Classroom; the ones that aren't as obvious or as used.

- Getting parents involved
- Google Meets within Google Classroom
- Assignment flow
- Marking student work efficiently
- Including rubrics
- Using a mobile device
- Additional types of classrooms

Session 3 - Moving Beyond the Tool to the Teaching

You know the ins and out of Google Classroom but now you need to apply the pedagogy to the tool. Enjoy learning some great ways to vary what you do and engage students using this amazing tool!

Presenters

Memorese Walter

A classroom teacher of 19 years, turned Educational Technologist, for Peace Wapiti School Division. Memorese loves seeing teachers and students excited about using technology in an authentic way! With technology always around us, Memorese loves continually learning and exploring new tools.

Registration Notes

This learning opportunity is asynchronous. The date and time indicated are the DEADLINE FOR REGISTRATION for this program year.

You can participate in this learning opportunity any day, any time at your convenience.
